Individual Assistance

Each year OVV assists families that cannot afford to pay the full amount for their child. We feel that each child should be able to play baseball regardless of their ability to pay. There are 3 levels which you can sponsor a child for;

Individual Level 1 - \$250

Individual Level 2 - \$500

Individual Level 3 - \$1000

This sponsorship will not give your business public acknowledgement, but the rewards of having this kind of personal effect on a child's life is great and the only thing better than seeing a smile on a child's face is the knowledge that you are responsible for putting it there. Your assistance will be recognized online as a sponsor or can remain anonymous.
